## SECURITY CONTROL SYSTEMS WARRANTY AND REPAIR POLICY

### TO WHOMSOEVER IT MAY CONCERN

This certificate extends the warranty of our Products for a period of **1 Year & Battery for 6 Months**

This warranty covers the repair or replacement of the broken unit at our discretion.

The warranty does not provide coverage for lost or destroyed products/parts. The warranty is not applicable for wear and tear, damage or failure due to accident, deliberate act of misuse/mishandled, abuse or neglect, or modifications and servicing carried out by unauthorised service organisations or persons.

The company will not consider liable for any water/electrical/fire/natural or manmade calamity damage to your machine you might have under warranty. Products damaged during shipping due to insufficient or improper packaging.

Services provided in that case will be on chargeable basis.

This is to inform you that the product/products delivered has been inspected and acknowledge to be in good working condition. The Installation is also completed along with basic product training.

This certificate is void if altered in anyway.

Yours Best Regards,  
For,  
Security Control Systems
